infinity®

low carbon carpet tiles

great for offices

Made from 100% **Econyl**® **regenerated recyclable** solution dyed nylon yarn and our unique **BioBase**™ **recycled** backing, **infinity**® is **low carbon**.

The high contrast speckled appearance of **infinity**® provides excellent soil hiding properties and makes it the ultimate product for high traffic areas, such as corridors, entrance ways, and offices.

infinity® is a 550g level loop pile carpet tile collection of 16 shades, inspired by flecked textures and colours found in raw materials and nature. Visual inspiration from rocks, gemstones, coastlines, and minerals help to create the individual aspect of this heavy commercial range.
